Live Power, Live Control, Live Performance!

Advanced keyboards with superb sound and powerful features for live performance

PSR-EW400

The flagship model in the PSR-E series is built for playing live. Easy to use professional features, 76-key touch sensitive keyboard, new Live! Grand Piano Voice, computer and external storage connectivity and L/R outputs for connecting to a PA system.

Other Features

- Touch sensitive keyboard with 61 notes (PSR-E453) or 76 notes (PSR-EW400)
- 758 Voices
- Live! Grand Piano Voice (PSR-EW400 only)
- 220 Styles
- Arpeggio (150 types)
- Music Database and One Touch Setting
- AUX IN with Melody Suppressor

Real-time Controllers and Pitch Bend Wheel

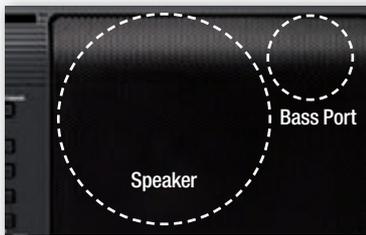

Two Live Control knobs allow you to filter and adjust sounds like an analogue synthesizer.

The Pitch Bend wheel moves the pitch up or down and is great for bringing instrument sounds such as guitars and saxophones to life.

Pattern Function

The Pattern function features a range of powerful loops and beats that allow you to create incredible dynamic dance grooves instantly. Use the assignable Live Control knobs to modify sounds in real-time, apply re-triggering and perform DJ style cross-fades!

Powerful Amplifier and Speaker Systems

Enjoy powerful, clean sound with 6W + 6W (PSR-E453) or 12W + 12W (PSR-EW400) amplification and built-in bass reflex speaker system.

USB Connectivity

You can store your set-up and performance data on USB memory (for PSR-E453/PSR-EW400) and easily connect to computers and other devices (for PSR-E363/PSR-EW300/PSR-E453/PSR-EW400).

PSR-E363/PSR-EW300/PSR-E453/PSR-EW400 also feature USB audio which allows for connection to compatible audio sources for playback through the keyboard's sound system or output the instrument's audio via USB to another device.

Connect to an iPhone/iPad/iPod touch and expand your keyboard with apps*

Connect the PSR-E363/PSR-EW300/PSR-E453/PSR-EW400 to your iPhone/iPad/iPod touch and enjoy a whole new world of creativity with Yamaha's range of exciting apps*.

*Yamaha apps are available to download from the App Store. Some apps may not be available depending in your region. Internet access required, iPhone/iPad/iPod touch and connecting cable not included.

Touch sensitive keys allow expressive dynamic control

Play the keys by PSR-E363/PSR-EW300/PSR-E453/PSR-EW400 heavily and you'll get louder tones, or play softly to achieve quieter sounds. The touch sensitive keyboard will accurately reflect every nuance of your playing, making your performances musically expressive.

PSR-E453

61-key touch sensitive keyboard with powerful built-in speakers and easy to use professional features like assignable Live Control knobs, DJ pattern mode and USB TO DEVICE connectivity.

Real music, real fun.

The Yamaha PSR-EW300, PSR-E363 and PSR-E263 portable keyboards are packed full of great sounds and features, ideal for aspiring musicians who are just starting out.

PSR-EW300

The PSR-EW300 comes with 76 touch sensitive keys and 48 note polyphony, allowing greater expression and flexibility in playing, and satisfies even experienced musicians. In addition to enjoying comprehensive library of 574 instrument Voices from around the world, you can also connect an audio player and play along with your favorite songs, or connect to iPhone, iPad, or PC for new musical experiences.

Other Features

- 76 keys
- Touch sensitive keyboard with 48-note polyphony
- 574 high quality Voices with improved sampling
- Brand new Reverb effects and Master EQ
- Larger body generates full and powerful stereo sound
- 165 auto accompaniment Styles
- 150 different arpeggio types
- "Keys To Success" with other lesson functions
- Duo mode
- Easy Song Book available for download
- USB TO HOST allowing two-way MIDI and audio transfer
- AUX IN terminal & Melody Suppressor

PSR-E363

Versatile functions and a touch sensitive keyboard allow for expressive, dynamic performances and make the PSR-E363 the go-to instrument for beginners.

Compact & Portable

The compact, light-weight design allows you to take your instrument with you wherever you go. Battery power means you can set up and play anywhere without the need to plug it in!

PSR-E263

The 61-key, entry-level PSR-E263 features a wide variety of sounds and functions. This is an ideal keyboard for aspiring musicians who are just starting out.

A comprehensive library of high quality voices

The **PSR-E263** has 400 Voices, increasing to 574 Voices for the **PSR-E363/PSR-EW300** and 758 Voices in the **PSR-E453/PSR-EW400**. The grand piano Voices utilise stereo-sampled sounds with a superb feeling of presence and realism. Reverb effects recreate the feeling of playing in a concert hall and Choruses add an extra dimension to the sound.

Diverse auto accompaniment Styles

The **PSR-E263**, **PSR-E363/PSR-EW300** and the **PSR-E453/PSR-EW400** provide a huge range of backing Styles in a wide range of genres. The **PSR-E363/PSR-EW300/PSR-E453/PSR-EW400**'s built-in Music Database makes it easy to set-up the keyboard for a wide variety of songs.

Connect an external audio source to the AUX IN

Connect your audio player to the **PSR-E263/PSR-E363/PSR-EW300/PSR-E453/PSR-EW400** and listen to, or play along with, your favourite music through the instrument's speakers. With the **PSR-E363/PSR-EW300/PSR-E453/PSR-EW400**, you can reduce the level of the melody line* with the Melody Suppressor function, creating a backing track to jam along with.

*The volume of the melody line may not lower for some songs.

Play with a partner

For **PSR-E263/E363/PSR-EW300** Duo mode allows two people to play together on the same instrument by creating two middle C notes. Enjoy playing the piano with friends and family!

Yamaha Education Suite lesson

The Yamaha Education Suite lesson function makes it easy to learn the built-in Songs. For **PSR-E363** and **PSR-EW300**, the "Keys to Success" lesson provides short & easy step-by-step tuition, resulting in learning entire songs with very little effort. The "Touch Tutor" lesson function even helps you learn to play expressively.

The next generation keyboard for Oriental music!

PSR-A350

Players looking for an instrument for authentic Oriental music will appreciate the comprehensive capabilities and realistic sound of the PSR-A350.

A wide variety of quality content inherited from high-end keyboard models offers authentic sound whatever style of music you play, while upgraded features & connectivity expand the joy of playing music even further.

Other Features

- 61 keys with touch sensitivity
- 613 high quality instrument Voices (incl. 45 Oriental Voices + 18 Oriental Drum Kits)
- 210 accompaniment Styles (incl. 115 Oriental Styles)
- 152 Arpeggios (incl. 5 Oriental)
- 154 Songs (incl. 12 Chord Study and 40 Chord Progression)
- Scale Tune Setting (with 12 note buttons & 4 memory banks)
- Pitch Bend Wheel
- AUX IN with Melody Suppressor
- 2.5W + 2.5W amplifier; 12cm x 2 speakers
- iOS apps available for your iPhone/iPad/iPod touch* (*additional connecting cable required)

Keyboard with lighted keys

EZ-220

Lighted keyboard shows you the way to play!

The EZ-220 automatically lights your musical path, showing which notes to play and making practice a game you'll always win. Add the interactive Yamaha Education Suite and practice each hand independently at your own pace. Soon, you'll be on your way to becoming a true keyboard master.

EZ-220 Page Turner

Connect wirelessly using this free application for iPad and you can play every one of the hundred popular songs stored in the EZ-220's digital songbook without ever turning a page.

Compact portable keyboards with pure piano tone.

piaggero

Exquisite tone in a light, compact form – the piaggero NP Series portable keyboards are an ideal combination of elegance and simplicity. Designed around the essential elements that let you concentrate on playing, the piaggero series keyboards focus on the inspiration and enjoyment of playing a piano, and feature the pure tone of one of the finest grand pianos that Yamaha has ever made.

NP-32B     Also available in white (**NP-32WH**)

NP-12WH     Also available in black (**NP-12B**)

Real Piano Sound on the Move

Supremely light and running on just a few standard batteries*, piaggero sets you free to play anywhere, even in the great outdoors.

* Batteries not included

Recording in Progress...

The one-touch recording function captures your performance and those moments of musical inspiration.

Smart Design Puts You in Control

The piaggero series are designed to make operation easy and intuitive. Functions are easily accessible and the control panel does not distract the player during the performance.

The Digital Piano Controller App

The Digital Piano Controller App for your iPhone, iPad or iPod Touch gives you easy access to the various functions of the instrument.

You can also use the App to save and manage your recordings and store your favourite set-ups.

See Page 12/13 for more information

The versatile, affordable,

“The perfect all-in-one mini drum kit solution”.
Designed from a drummer’s point of view.
Play along with your favorite music!

DD-75

We offer several other fun and functional applications.

To get more details and download them, please visit:

europe.yamaha.com/en/products/apps

* Some applications are only available in certain regions
* Specifications may be changed without notice

	Scale Tuner enables you to change the tuning of a compatible Yamaha keyboard or digital piano to Arabic or pure temperament tuning.
	My Music Recorder is designed for parents to record, archive and share their children's daily musical performances.
	Visual Performer creates on-screen animations based on your performances.
	Piano Diary can record your own piano playing for later replay. You can track your playing statistics and enjoy rewards for your continuous piano practice.
	Sound Controller offers extensive controls such as pitch, cut-off filters, reverb and chorus levels, bringing new dimensions to your performance.
	Digital Piano Controller gives you to control over the functions of compatible instrument for even easier operation.
	Discover the chords in audio tracks instantly with the Yamaha Chord Tracker app!
	NoteStar is Yamaha's application for the iPad that features hands-free, smooth-flowing, easy to read digital sheet music matched with real audio backing tracks, complete with lead vocals. Now in NoteStar, owners of compatible Yamaha keyboards can also use pedals to turn pages and hear the piano reference track broadcasted wirelessly or via cable to their instrument.
	A feature packed Metronome app for every musician. Made by the world's largest musical instrument manufacturer, built with all of the know-how that only Yamaha can provide. No matter what your level of musical ability you will find Yamaha's Metronome is easy to use. Whether you're a drummer, guitarist, pianist, producer, DJ, student, teacher or a live performer, in music timing is everything.
	Page Turner not only includes the score for the 100 preset songs in the EZ-220, it turns pages automatically and allows you to focus on the music.
	Cloud Audio Recorder allows you to record the sound of musical instruments to your iOS devices via the built-in microphone. Also the app supports Audio recording and play-back function via WiFi or cable for some keyboards

Yamaha MusicSoft

In addition to apps, we offer a variety of performance, practice, and entertainment tools to expand your musical library and inspire you to play better. Visit the Yamaha MusicSoft online store to browse thousands of songs and a wide selection of accompaniment styles that put a professional band at your fingertips, following the chords you play. Styles are great for practice or performance, and are a handy song-writing tool. Check our website for more details.
